Vacaville
FARMERS' MARKET

2019 Downtown Vacaville Farmers' Market opens May 4th at Creekwalk Plaza, Saturdays 8AM-12PM.

For nearly 25 years, Vacavillians have savored their Saturday morning Farmers Market strolls in Downtown Vacaville for its' fresh, organic produce, handmade goods, and familiar faces. This year, that cherished Saturday morning tradition will continue - in a new, exciting location and time slot.

The Downtown Vacaville Business Improvement District, working in partnership with the City of Vacaville and Pacific Coast Farmers' Market Association, is excited to once again host a Farmers' Market that provides access to fresh, organic produce, at the Creekwalk Plaza in Andrews Park which allows the market to expand to invite 25 additional artisans, vendors and local businesses each week.

By popular demand, the Market will begin and end one hour earlier, returning to its' 8AM-12PM time slot to help folks beat the heat. With ample grassy picnic spots, live music and kids activities, there's more than just quality produce. Future plans include adding a kidzone, live cooking demonstrations and tastings from wineries and craft brewers. Visit www.VacavilleFarmersMarket.com throughout the season for info on weekly market events.

Opening day is May 4th, 2019. City leaders and dignitaries will be present for a ribbon cutting ceremony at 9:30AM. Admission to the market is always free. The 2019 Market season will run through October 26th with no market on May 25th or October 19th due to special events in the park. Free parking is available on East Main St., Georgie Duke Parking Lot and surrounding areas. Dogs on leashes are allowed in the park and in designated areas of the market.

The Market is currently accepting Arts & Crafts, Local Businesses, Nonprofits, Food Vendors and a limited number of Farmers with preference to local producers. Visit www.VacavilleFarmersMarket.com to learn more.

Pacific Coast Farmers Market has managed the Farmers' Market in Downtown Vacaville since 2007 and championed the San Francisco Bay Area Local Food Movement since 1988. They help empower California farmers to succeed through creating community-based food experiences throughout the San Francisco Bay Area that support California family farms and a healthy local food system.
